

5. The cat crept quietly. All its attention was focus on the tiny, cheese stealing creature in front of it.

What is the cat doing?

6. Melissa threw the device into the windy sky and then ran, holding the end of the string.

What is Melissa doing?

7. As Kelly approached her car, she began digging in her purse.

What is Kelly searching for?

8. The light came on, telling passengers to fasten their seat belts. They were about to land.

Where are they?
