

13. Judy positioned the goggles to protect her eyes from the chlorine.

Where is Judy?

14. It was loud and noisy, and Gillian had a headache. Thankfully, she'd be home from school in three more stops.

Where is Gillian?

15. Sam carefully threaded the hook through the piece of bait and then threw the line into the water.

What is Sam doing?

16. Suddenly, the mountain exploded and ash, smoke, and super heated gases soared high into the sky.

What happened?
