

21. Josh hit the ball and ran as fast as he could to first base.

What is Josh doing?

22. The sun's light began to filter into the kitchen just as Peter drank his coffee.

What part of the day is it?

23. Dad positioned the tree in the corner of the living room. Then we draped tinsel and decorations on it.

What month is it?

24. I got to the post office just in time. It was about to close for the day.

What time is it?
