To complete the Vocabulary Squares, you will need three of these pages. Complete one Vocabulary Square per word. Then, cut them apart, and write the correct Flocabulary word on the back of each Vocabulary Square. Paper clip all 15 together, and place a sticky-note with your name on in on top of the pile. Turn them in any time prior to the Vocabulary Test, and you will earn five extra credit points added to your Vocabulary Test grade. Use your Vocabulary Squares to study for the Vocabulary Test; they can be used as flashcards, or you and a partner can quiz each other or make a matching game.
